About Solstice

Solstice is a new gold-focused exploration company created through the spinout by Dunnedin Ventures Inc. of 806km² (100%) of the district scale Kahuna Project (“Kahuna” or the “Project”) and certain other rights covering an adjacent 860km², all with no underlying option or earn in payments. Kahuna is located in Nunavut, Canada only 26 km from Rankin Inlet and approximately 7 km from the Meliadine gold deposits owned by Agnico-Eagle Mines Ltd. Solstice has 66,762,584 common shares outstanding and is well financed with approximately \$8 million in the treasury.

Solstice is committed to responsible exploration and development in the communities in which we work.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Forward Looking Statements

Statements included in this announcement, including statements concerning our plans, intentions and expectations, which are not historical in nature are intended to be, and are hereby identified as forward looking statements ("FLS"). FLS may be identified by words including "anticipates", "believes", "intends", "estimates", "expects", "plan", "will" and similar expressions. FLS in this news release also include, but are not limited to, the extent and timing of described programs and events, such as listing dates. There can be no guarantee that continued exploration at Kahuna, which is at an early stage of exploration, will lead to the discovery of an economic gold deposit. The Company cautions readers that FLS, including without limitation those relating to the Company's

future operations and business prospects, are subject to certain risks and uncertainties that could cause actual results to differ materially from those indicated in the forward-looking statements.

This announcement contains information with respect to adjacent or similar mineral properties in respect of which the Company has no interest or rights to explore or mine. Readers are cautioned that the Company has no interest in or right to acquire any interest in any such properties, and that mineral deposits on adjacent or similar properties are not indicative of mineral deposits on the Company's properties. Past performance is no guarantee of future performance and all investors are urged to consult their investment professionals before making an investment decision. Investors are further cautioned that past performance is no guarantee of future performance.
