IMPORTANT NOTICE

The Annual General and Special Meeting (the “**Meeting**”) of the shareholders of **SOLSTICE GOLD CORP.** (the “**Company**”) is currently scheduled to take place in person at Suite 550 – 800 West Pender Street Vancouver B.C. (the “**Meeting Location**”) on December 8, 2022 (the “**Meeting Date**”) at 11:00 a.m. (Pacific time). In light of ongoing concerns related to the spread of COVID-19, only registered shareholders, non-registered shareholders who have followed the procedures described in this information circular (the “**Information Circular**”) and their respective proxyholders will be allowed to attend the Meeting physically in person. **On the Meeting Date, the Company will comply with all restrictions imposed under all applicable laws and regulations restricting the size and conduct of gatherings to protect public health and limit the spread of COVID-19.**

To help mitigate the risk of the spread of COVID-19, all shareholders are strongly encouraged to vote on the matters at the Meeting by proxy using our management proxyholder(s) to limit the number of attendees. Please do not attend the Meeting in person if you or someone with whom you have been in close contact with are experiencing any cold or flulike symptoms. Meeting attendees may be required to wear a face covering for the duration of the Meeting. Shareholders and proxyholders may be refused entry at the Meeting Location if more individuals attend the Meeting in person than are permitted under applicable laws and regulations in effect on the Meeting Date. Shareholders and proxyholders may also be refused entry at the Meeting Location or be required to leave the Meeting if they do not comply with all restrictions in respect of the conduct of gatherings under applicable laws and regulations in effect on the Meeting Date.

The Company’s Board of Directors and management are also continuing to assess whether an in-person Meeting is in the best interests of the Company and its shareholders in light of the unprecedented public health concerns raised by COVID-19. Accordingly, there is a possibility that the Meeting will be held in a virtual-only format and that shareholders and proxyholders will not be able to attend the Meeting physically. If the Company decides to hold the Meeting in a virtual-only format, the Company will make a public announcement to this effect by issuing a news release as soon as reasonably practicable prior to the Meeting. The news release will contain detailed instructions explaining how shareholders will be able to attend, communicate and vote at the virtual Meeting. The news release will be posted on the Company’s website at www.solsticegold.com and will be filed under the Company’s profile on SEDAR at www.sedar.com. Electronic copies of the Notice of Meeting, the Information Circular and the form of Proxy may be found on the Company’s profile on SEDAR at www.sedar.com. Shareholders are strongly encouraged to check the Company’s website and/or SEDAR on a regular basis to ensure that they are apprised of all developments with respect to the Meeting.

SOLICITATION OF PROXIES

This Information Circular is provided to registered and beneficial owners of the Company's shares in connection with the solicitation of proxies by the management of the Company for use at the Meeting, to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. This Information Circular and other proxy-related materials are not provided to registered or beneficial owners of the Company's shares under the notice and access provisions of National Instrument 54-101.

All dollar amounts referenced herein are Canadian Dollars unless otherwise specified.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the instrument of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

This Information Circular is accompanied by a management instrument of proxy that permits registered shareholders who do not attend the Meeting in person to have their shares voted at the Meeting by a proxyholder appointed by the registered shareholder. The persons named in the accompanying instrument of proxy are directors or officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed instrument of proxy. To exercise this right, the shareholder must strike out the names of the persons named in the instrument of proxy and insert the name of his nominee in the blank space provided, or complete another instrument of proxy.**

The completed instrument of proxy must be dated and signed and the duly completed instrument of proxy must be deposited at the Company's transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays.

The instrument of proxy must be signed by the shareholder or by his duly authorized attorney. If signed by a duly authorized attorney, the instrument of proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the shareholder is a corporation, the instrument of proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives his power, as the case may be, or a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies that do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a proxy by (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid, (b) signing and dating a written notice of revocation (in the same manner as the instrument of proxy is required to be executed as set out in the notes to the instrument of proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the

Meeting or on the day of any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named as proxyholder in the enclosed instrument of proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution, or withholding a vote in respect of any resolution, will vote or withhold from voting as applicable, in accordance with such direction.

In the absence of any direction in the instrument of proxy, it is intended that such shares will be voted in favour of the resolutions placed before the Meeting by management and for the election of the management nominees for directors and auditor, as stated under the headings in this Information Circular. The instrument of proxy enclosed, when properly completed and deposited, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters that may be properly brought before the Meeting. At the time of printing of this Information Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any such amendments, variations or other matters should properly come before the Meeting, the proxies hereby solicited will be voted thereon in accordance with the best judgement of the nominee.

NOTICE TO BENEFICIAL HOLDERS OF SHARES

These securityholder materials are being sent to both registered and certain non-registered owners of the securities of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding shares on your behalf.

The following information is of significant importance to shareholders who do not hold shares in their own name. Beneficial shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of shares).

If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Company. Such shares will most likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients. There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "OBOs" or "**Objecting Beneficial Owners**") and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" or "**Non-Objecting Beneficial Owners**").

Management of the Company does not intend to pay for intermediaries to forward the proxy-related materials to OBOs. Accordingly beneficial shareholders who are OBOs will not receive the materials unless their intermediary assumes the costs of delivery. In the event that voting instructions are requested from OBOs, such instructions will typically be sought by the shareholder receiving either a form of proxy or a

voting instruction form (“**VIF**”). If a form of proxy or a VIF is supplied to you, an OBO or NOBO, by your broker, it will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and the United States.

Broadridge obtains voting instructions by mailing a VIF which appoints the same persons as the Company’s proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a beneficial shareholder of the Company), other than the persons designated in the VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge’s instructions. In addition, Broadridge provides both telephone and internet voting options, as described in the VIF. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

If you plan to vote in person at the Meeting:

- nominate yourself as the appointee to attend and vote at the Meeting by printing your name in the space provided on the enclosed VIF. Your vote will be counted at the Meeting so do NOT complete the voting instructions on the form;
- sign and return the form, following the instructions provided by your nominee; and
- register with the Scrutineer when you arrive at the Meeting.

If you bring your completed VIF to the Meeting, your vote will not count. Your vote can only be counted if you have completed, signed and returned your VIF in accordance with the instructions above.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

As of the date of this Information Circular, there are 186,189,562 common shares in the authorized share structure of the Company (the “**Common Shares**”) without par value issued and outstanding, with each Common Share carrying the right to one vote. At a general meeting of the Company, on a show of hands, every shareholder present in person has one vote and, on a poll, every shareholder has one vote for each Common Share of which he/she/it is the holder.

Only shareholders of record of the Company at the close of business on November 8, 2022 (the “**Record Date**”), will be entitled to have their Common Shares voted at the Meeting or any adjournment thereof.

To the knowledge of the directors and officers of the Company, as at the date of this Information Circular, no person or corporation beneficially owns, directly or indirectly, or exercises control or direction over, 10% or more of the Common Shares, other than as set out below:

| Name of Shareholder | Za | Percentage of Common Shares⁽¹⁾⁽²⁾ |
|----------------------------|------------|---|

Stock Option Plans and Other Incentive Plans

Stock Option Plan

The Company currently has in place a 10% rolling incentive stock option plan (the “**Stock Option Plan**”). The Stock Option Plan provides that the directors of the Company may grant options to purchase Common

Shares (“**Options**”) to certain directors, officers, employees, management company employees and consultants of the Company and/or any of its affiliates (“**Eligible Persons**”) on terms that the board of directors of the Company (the “**Board**”) may determine, subject to the provisions of the Stock Option Plan. The Stock Option Plan was approved by the shareholders on December 14, 2021.

The purpose of the Stock Option Plan is to advance the interests of the Company, through the grant of Options, by:

- (a) providing an incentive mechanism to foster the interest of Eligible Persons in the success of the Company and its affiliates;
- (b) encouraging Eligible Persons to remain with the Company or its affiliates; and
- (c) attracting certain new directors, officers, employees and consultants.

The following is a summary of certain provisions of the Stock Option Plan and is subject to, and qualified in its entirety by, the full text of the Stock Option Plan. Capitalized terms not otherwise defined in the summary below have the meanings ascribed thereto in the Stock Option Plan.

- (a) The aggregate number of Common Shares that may be reserved for issuance pursuant to Stock Options shall not exceed 10% of the outstanding Common Shares at the time of granting of an Option, LESS the aggregate number of Common Shares then reserved for issuance pursuant to any Other Share Compensation Arrangement (as defined in the Stock Option Plan). For greater certainty, if an Option is surrendered, terminated or expires without being exercised, the Common Shares reserved for issuance pursuant to such Option shall be available for new Options granted under this Plan.
- (a) The number of Common Shares reserved for issuance to any one person in any 12 month period under this Plan and any Other Share Compensation Arrangement shall not exceed 5% of the outstanding Common Shares at the time of the grant, unless the Company has obtained Disinterested Shareholder Approval to exceed such limit.

- (e) Options shall only be granted to Eligible Persons. Subject to the provisions of the Stock Option Plan, the Board shall have the authority to: (i) determine the Eligible Persons to whom Options are granted; (ii) grant Options; and (iii) determine the terms and conditions in respect of any Option grant, including in respect of the manner in which an Option shall

vest and become exercisable, provided that Options granted to certain persons conducting Investor Relations Activities shall vest over a minimum of 12 months with no more than 25% of such Options vesting in any three month period.

- (f) Subject to a minimum exercise price of \$0.05 per Common Share, the exercise price per Common Share for an Option shall not be less than the “Discounted Market Price”, as calculated pursuant to the policies of the Exchange, or such other minimum price as may be required or permitted by the Exchange.
- (g) Every Option shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant.
- (h) Options are subject to early termination in certain circumstances. If an Option holder who is an Officer, Employee or Consultant is terminated for cause, the Options held by such holder shall terminate upon such termination for cause. If the Option holder dies prior to ceasing to be an Eligible Person, the Options held by such holder shall terminate no later than the earlier of the expiry date of such Options and the date that is 12 months after the date of such holder’s death. If the Option holder ceases to be an Eligible Person other than as a result of termination for cause or death, then the Options held by such holder shall terminate no later than the earlier of the expiry date of such Options and the date which is 90 days after such event, subject to the Board’s ability to extend the termination date pursuant to terms and conditions of the Stock Option Plan.
- (i) Options may not be assigned or transferred.
- (j) The Stock Option Plan, the grant and exercise of Options and the Company’s obligation to issue and deliver any Common Shares upon exercise of Options shall be subject to all applicable federal, provincial and foreign laws, policies, rules and regulations, to the policies, rules and regulations of any stock exchanges or other markets on which the Common Shares are listed or quoted for trading and to such approvals by any governmental or regulatory agency as may, in the opinion of counsel to the Company, be required.

Pursuant to the Stock Option Plan, a maximum of 18,619,956 representing 10% of the outstanding Common Shares may be reserved for issuance pursuant to Stock Options granted under the Stock Option Plan. As at the date hereof, the Company has an aggregate of 13,940,000 Options issued and outstanding, leaving an aggregate of 4,679,956 Options available to be granted under the Stock Option Plan.

Under the policies of the TSX Venture Exchange (the “**TSXV Rules**”), the Stock Option Plan must be approved by the Company’s shareholders on implementation and yearly thereafter at each annual general meeting of the Company. Accordingly, at the Meeting, the Board intends to ask its shareholders to approve the Plan pursuant to an ordinary resolution, as more fully described below under “*Particulars of Matters to be Acted Upon*”.

Employment, Consulting and Management Agreements

Except as disclosed below, no services were provided to the Company during the most recently completed financial year by a director or named executive officer, or any other party who provided services typically provided by a director or named executive officer, pursuant to any employment, consulting or management agreement between the Company and any other party. Except as disclosed below, the Company has no agreement or arrangement with any director, named executive officer or any other party with respect to any change of control of the Company or any severance, termination or constructive dismissal of any director, named executive officer or any other party, or any incremental payments triggered by any such change of control, severance, termination or constructive dismissal.

The Company entered into consulting agreement with David Adamson on June 10, 2020 (the “**Adamson Agreement**”) that terminated all previous contracts and agreements between the Company and Mr. Adamson. The termination of the previous agreements did not result in any severance or other costs to the Company. Under the terms of the Adamson Agreement, Mr. Adamson’s position is unpaid. The Company contracts Mr. Adamson to perform the duties of the Chairman for a period of 24 months subject to renewal on mutual agreement. If at the request of the Board Mr. Adamson exceeds 5 days dedicated to the Company in a calendar month, he will be compensated for those days at a rate of \$1,000 per day. In recognition of the elimination of change of control provisions, and elimination of compensation in the Adamson Agreement, Mr. Adamson was issued 1,500,000 Stock Options exercisable at \$0.06 a Common Share, and a term of five years. If the Adamson Agreement is terminated by the Company, these stock options remain exercisable until the earlier of the expiry date of the option and the date which is two years following the date of termination.

On October 18, 2021, Mr. Tunney resigned from his position as President and entered into a new Consulting Agreement dated October 15, 2021 with the Company (the “**New Tunney Agreement**”). The New Tunney Agreement will be for a term of 24 months and is subject to renewal on mutual agreement of the parties. The Company will pay Mr. Tunney \$150 an hour for work performed at request of Company. On execution of the New Tunney Agreement, Mr. Tunney was paid a \$15,000 bonus. On completion of transition of Mr. Timmins as the Company’s new CEO, an additional \$10,000 bonus was paid. All existing Stock Options previously issued to Mr. Tunney will be maintained as long as the New Tunney Agreement is in force. Oversight and Description of Director and Named Executive Officer Compensation

Compensation of the Company’s Named Executive Officers and directors is determined by the full Board, based on the recommendations of the Compensation and Nominating Committee, the current members of which are Blair Schultz, Michael Gentile, and Lisa Doddridge, all of whom are independent within the meaning of NI 52-110

The Company’s compensation structure has two primary components, cash compensation and share-based compensation in the form of incentive stock options. Cash compensation has two components, base salary and bonuses.

Compensation is determined based on factors considered relevant and appropriate, including the level of service provided, the background and expertise of the individual director or officer, amounts paid by other companies in similar industries at similar stages of development, and compensation levels necessary to attract, retain and develop management of a high calibre. Compensation is typically reviewed annually by the Compensation and Nominating Committee and the Board, usually in the first fiscal quarter, but may also be reviewed on an ad hoc basis as the need arises.

The Company may grant stock Options pursuant to its Stock Option Plan to officers and directors on an ad hoc basis, based on the same subjective performance criteria referred to in the foregoing and other performance criteria considered relevant by the Board.

Additionally, in evaluating Option grants, the Board evaluates a number of factors including, but not limited to: (i) the number of Options already held by or issued to an individual; (ii) a fair balance between the number of Options held by an individual and those held by or issued to other directors or officers, in light of their responsibilities and objectives; and (iii) the value of the Options (generally determined using a Black-Scholes analysis) as a component of the individual’s overall compensation.

No significant events occurred during the most recently completed financial year that significantly affected compensation. While the Board considers amounts paid by other companies in similar industries at similar stages of development in determining compensation, no specifically selected peer group has been identified as a comparable. No significant changes were made to the Company’s compensation policies since the commencement of the most recently completed financial year.

Pension Disclosure

The Company does not have a pension plan.

CORPORATE GOVERNANCE

General

“Corporate Governance” refers to the process and structure used to direct and manage the business and affairs of a corporation. The objective is to enhance shareholder value, including ensuring the financial viability of the business. Corporate governance processes and structures define the division of power among the shareholders, the board of directors and management, and establish ways to ensure accountability. They also take into account how the direction and management of the business will affect other stakeholders such as employees, customers, suppliers and communities.

The Canadian Securities Administrators have adopted National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) and National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”).

NP 58-201 sets forth a set of guidelines or “best practices” for reporting issuers to consider when evaluating their own corporate governance practices. Recognizing that not all of the guidelines set forth in NP 58-201 will be appropriate for all companies, full implementation of the guidelines is not mandated by either NP 58-201 or the TSX Venture Exchange. NI 58-101 mandates the disclosure of the corporate governance practices actually implemented by a reporting company, in certain prescribed disclosure documents.

As the business of the Company is straightforward, the Company is at an early stage of development and its Board is relatively small, the Company’s Corporate Governance practices are at an early stage of evolution. The following describes the Company’s approach to corporate governance, in compliance with NI 58-101.

Board of Directors

The Company’s Board consists of a total of five directors, being David Adamson, Blair Schultz, Michael Gentile, Lisa Doddridge, and Mike Timmins. Each of Blair Schultz, Michael Gentile and Lisa Doddridge are independent (as defined by NI 58-101). David Adamson and Mike Timmins are not independent (as defined by NI 58-101) because they each hold or have held executive positions within the Company over the previous three years.

The Board facilitates its exercise of independent supervision over management through meetings of the Board both with and without members of the Company’s management being in attendance.

Directorships

The following directors of the Company hold directorships in other reporting issuers as set out below:

| Name of Director | Name of Other Reporting Issuer |
|------------------|---|
| Michael Gentile | Roscan Gold Corporation, Northern Superior Resources Inc., Radisson Mining Resources Inc. |
| Blair Schultz | Canex Metals Inc. |

Orientation and Continuing Education

The Company does not have a formal process of orientation for new Board members. However, the Company does orient and educate new Board members by providing background information, conducting personal meetings and responding to questions, during the early stages of a new Board member's involvement with the Company.

The Company does not have a formal process of continuing education for directors. Generally, the Company expects that existing and new Board members will have a familiarity with the business of mineral exploration and development. Professional advisors may be invited to attend Board meetings, as needed. The Company also relies on the relatively straightforward nature of its business, and the established qualifications and expertise of its Board members.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics for the Company's directors, officers and employees with respect to ethical business conduct. A full copy of the Code of Business Conduct and Ethics and other Corporate Governance policies are posted on its website at <https://www.solsticegold.com/corporate/corporate-governance/> and under its SEDAR profile at www.sedar.com. To the greatest extent possible, the Company attempts to attract and retain individuals with a well-developed personal code of ethical conduct in both their business and personal lives.

In considering a transaction in which a director has a material interest, the director is required to disclose the nature and extent of his interest to the Board and to abstain from voting on any resolution pertaining to the transaction.

Nomination of Directors

The Compensation and Nominating Committee consists of Blair Schultz, Michael Gentile and Lisa Doddridge and has responsibility for identifying potential Board candidates. The Compensation and Nominating Committee considers candidates from a wide range of backgrounds and looks beyond the "usual suspects" and considers candidates on merit and against objective criteria, taking care that proposed appointees recommended for appointment have enough time available to devote to the position.

Potential candidates for appointment to the Board are considered by the Board as a whole, in reliance on the recommendations from the Compensation and Nominating Committee. The Board recognizes that, in accordance with good corporate governance practices, it is desirable to appoint additional members who are independent, and gives weight to this consideration in its Board appointments.

Compensation

As noted above, the Company's Board has a Compensation and Nominating Committee consisting of Blair Schultz, Michael Gentile, and Lisa Doddridge. The Compensation and Nominating Committee sets cash compensation for the Company's officers, including the CEO and CFO. Stock options are set by the Compensation and Nominating Committee and then granted by the full Board. Further particulars concerning the process for determining compensation of the Company's directors and officers are set forth under "*Oversight and Description of Director and Named Executive Officer Compensation*".

Other Board Committees

In addition to its Audit Committee and its Corporate Governance and Nominating Committee, the Board has an Environmental, Social and Governance ("ESG") Committee.

The Corporate Governance and Nominating Committee consists of Lisa Doddridge, Michael Gentile, and Blair Schultz. In addition to the business and affairs of the Company, the Corporate Governance Committee oversees the Code of Business Conduct and Ethics and Whistleblower Policy.

The ESG Committee consists of Lisa Doddridge, Mike Timmins and David Adamson. The ESG mandate is to assist the Board in overseeing environmental, sustainable and corporate responsibility/governance matters relating to the Company’s business.

Assessments

The Board has no specific procedures for regularly assessing the effectiveness and contribution of the Board, its committees or individual directors. As the business of the Company is relatively straightforward and its Board relatively small, it is expected that a significant lack of performance on the part of a committee or individual director would become readily apparent, and could be dealt with on a case-by-case basis. With respect to the Board as a whole, the Board monitors its performance on an ongoing basis, and as part of that process considers the overall performance of the Company and input from its shareholders.

AUDIT COMMITTEE CHARTER

1.1 Purpose

The overall purpose of the Audit Committee (the “Committee”) is to ensure that the Company’s management has designed and implemented an effective system of internal financial controls, to review and report on the integrity of the consolidated financial statements of the Company and related financial information, and to review the Company’s compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of financial information. In performing its duties, the committee will maintain effective working relationships with the Board of Directors (the “Board”), management, and the external auditors and monitor the independence of those auditors. 1. The Committee shall consist of at least three members of the Board.
2. At least two (2) members of the Committee shall be independent⁽¹⁾ and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members’ independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Company.
